

**QUALITY SWISS MACHINED PARTS SINCE 1974**

Founded in 1974, Accuturn drew its name from the emphasis that our company places on accuracy, which is the most important feature in the custom turning of Swiss screw machine products.

**A LEADER IN SWISS MACHINING**

Accuturn serves the southwestern US and has built a reputation amongst its diverse customer base including leaders in the aerospace, electronics, automotive, instrumentation, medical, hydraulic, appliance and dental industries.

**WE EMPLOY EXPERIENCED INDUSTRY EXPERTS**

Accuturn's management team consists of seasoned professionals who have been in the industry for decades, including some who have been with Accuturn since the company formed.

**PREMIER EQUIPMENT, PRIME TECHNOLOGY**

- More Milling Capabilities
- Inspection Equipment such as Micrometers and Bore Gages
- The latest Evolution Series technology on our Citizen Swiss CNC Machining Centers with live tooling, full C axis on main and sub-spindle fully utilizing the maximum flexibility for complete complex parts, eliminating costly secondary operations for increased thru-put.
- Centrifugal electro-magnetic deburring systems providing high quality burr free parts. High Frequency Ultra-Sonic Cleaning Systems to ensure clean-residue free components
- Citizen L20E's: Capacity through 0.812" Dia. Bar  
Stock K16E: Capacity through 0.625"  
Citizen M32: capacity through 1.25" Dia.
- Sub-spindles, C-Axis rotation, live tooling, automatic Cav bar feeders

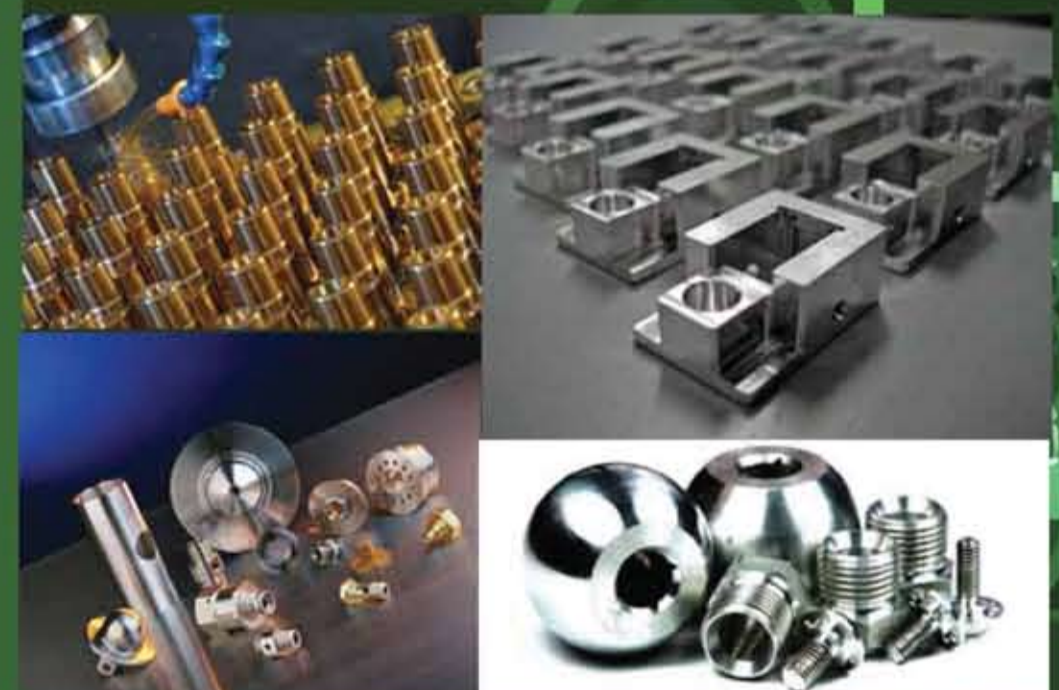

- Aerospace & Defense
- Hydraulic
- Automotive
- Medical & Dental
- Instrumentation
- Appliance

**SUSTAINING A LONG-STANDING TRADITION OF DEPENDABILITY**

- Reliable Service
- Quality Products
- Competitive Pricing
- Fast Turnaround
- Responsive, Friendly Staff

**CUSTOM DELIVERY SOLUTIONS**

- Exceptional On-time Delivery Rate
- Attention-to-detail & Part Accuracy
- Double Checked & Inspected Before Delivery
- Custom Packaging

**REGISTERED & CERTIFIED**

Accuturn is an AS-9100 registered/certified company, including ISO-9002 in 2007, which allowed our system to improve by stressing document control, product identification and internal audits. We subscribe to the Made in America Motto. We purchase our raw materials from domestic mills that are DFAR's, ROHS and REACH compliant and certifications are included in every shipment.

**RANKED THE 9TH LARGEST COMPANY IN THE IE**

Accuturn has earned the ranking of the 9th largest Aerospace and Military Contractor in the Inland Empire for its commitment to producing competitively priced machine parts in a timely manner.
